

SUMMER 2010: What's Available Now?

DID YOU KNOW?

Many HERBS are Hardy as well as Delicious!

Come talk to us about creating a wonderful *perennial edible* garden!!

We still have a *wonderful* selection of your best-loved herbs plus many perennial herbs - all of which are ON SALE NOW! We believe we have the best selection and healthiest herb plants available *anywhere* in the Edmonton area, all grown completely naturally. On the following pages you will find a complete list of all the herbs & flowers plants we offer this spring.

You can choose your herbs and we'll help you 'pot them up' - in *your* container or ours - on the spot at the greenhouse or at the market. We've got some easy ideas for theme herb containers, whether for cooking or Teas or even for Pot Pourris. We'll help you care for your plants to keep them healthy all season.

Coming soon - there will be even more varieties in our CUT FLOWER garden! Choose table or even wedding flowers: imagine Delphiniums & Rudbeckia in July, Drying or Unusual varieties in August; plus more amazing heritage blooms in blue, black, yellow, white - and every colour in-between. Pick your own bouquet at the farm or at the market!

At Inspired Market Gardens we're all about HERBS, FLOWERS, FOOD & FUN!

Please click on 'Events & Media' for detailed info on up-coming events and keep up to date through our **Insight E-newsletter**.
